

## CENTERVILLE SITES SELECTED FOR NEW COUNTY BUILDING

The selection of a location for the proposed county building for Washington Township has narrowed down to one of two sites, according to Supervisor Chester E. Stanley, who made the announcement this week.

Supervisor Stanley revealed that the Board of Supervisors has decided on either a three and one-half acre tract bordered by Fremont Avenue and Sequoia Street, or a portion of a 49-acre tract approximately 150 feet further east on Fremont.

### PRICE DIFFERENCE

A recent appraisal, conducted through the District Attorney's office, resulted in the value of the land being set from \$1,000 to \$1500 per acre less than the price asked by the owners, Stanley said.

He added that the supervisors will make a trip to Centerville next Thursday to look over the two sites and attempt to negotiate with the property owners on a price settlement.

### MANY OFFICES

The proposed building would house a sheriff's substation, library, justice court, health department, district attorney offices and any other additional office space that might be deemed necessary. Plans also call for a parking area adjacent to the building.

Stanley stated that funds have already been appropriated for the purchase of the building site. Funds for the construction of such a building will not, however, be budgeted until July 1 to be made available on September 1.

## QUICK ACTION OF MOTHER SAVES BOY'S LIFE HERE

The courage and quick thinking of Mrs. George Ornsby of Niles probably saved the life of her four-year-old son last Monday.

With flames enveloping his body, the little boy ran screaming from the house into the yard where his mother was hanging up clothes. Grabbing up the youngster, Mrs. Ornsby quickly put him into a tub of water that she had used in washing the clothes. Then she quickly called the doctor who treated the child for second degree burns.

The fire was caused by little George pouring some lighter fluid into a cigarette lighter. In the process of pouring the fluid, he struck a spark from the lighter, and immediately he was enveloped in flames. His shirt was completely burned off of him.

Without the calm and instant action of his mother, the child would probably have died of burns.

The family lives in one of the Williams Apartments on the Niles Highway. The little boy's father is employed with Inland Aggregates.

## WILL RETIRE \$500 IN STADIUM SCRIP

Five hundred dollars in Memorial Stadium scrip will be redeemed this year from proceeds of Washington Union High School's home football games, it was announced yesterday by Warren Gravestock, president of the Stadium Executive Committee.

A meeting of the Stadium committee has been called for 8 p.m. Friday, December 9, at which time names will be drawn to determine which scrip will be redeemed.

A total of \$9,800 in scrip was sold here in 1946 to cover the cost of the erection of lights at the school stadium and with this year's \$500 a total of \$3,500 of the debt will be paid off.

## NILES BUSINESS STREET AGAIN IN HOLIDAY SPIRIT

The main street of Niles is again wearing holiday tinsel and colored lights—for the third successive year.

This year the decorations have been increased by adding more tinsel to the strands hanging across the street. And a permanent wiring installation is being made so that the lights may all be turned on and off at one time.

In the past two years, each strand has been wired to the store to which it was connected.

At a special merchants meeting Monday evening at the Justice Court building, called by the Chamber of Commerce, business men agreed that they would be glad to contribute more money this year to improve the lighting program.

Major part of the funds will be used for installing the power line the length of First Street.

The decorations and power installations are being done by the Niles Electric Company, which has had charge of the project since its beginning in 1947.

## IRVINGTON SEEKS COUNTY AID IN FLOOD CONTROL

Petitions are being circulated in Irvington this week by members of the Chamber of Commerce asking the County Board of Supervisors to authorize flood control work in the community.

The petitions state in part... "That the public convenience and wants require that the creeks running through the town of Irvington be cleaned out to proper level to give flood waters a free flow in order to prevent the property from being damaged by flood water in case of a wet winter."

### HEAVILY SILTED

Carl Christensen, chairman of the Chamber committee working on the project, said this week that the drainage ditches are silted "almost full" and bridges and culverts are filled to such an extent that they could handle less than half of their normal capacity.

Gus Robertson, chairman of the house numbering committee, reported that a map with all lots of the community properly numbered, would be ready for presentation at next week's meeting.

### YULE PARTY DECEMBER 20

Vernon Leal, chairman of the Christmas party committee, stated that the annual treat for youngsters will be held on December 20 with Santa Claus making his appearance with his treats at 2 p.m., followed by a free movie at the Irvington Theater. Arrangements are being completed for 400 youngsters.

### FORM 4-H CLUB AT ALVARADO SCHOOL

Other officers named by the new group are: Eddie Maldonado, vice-president, and Marjorie Best, secretary-treasurer.

Adult leaders are Manuel Pinto, Mrs. Gladys Best and F. M. Phillips.

## CENTERVILLE PLANS ROYAL WELCOME TO ST. NICK ON DEC. 5

A royal and fitting welcome will be afforded jolly old St. Nick in Centerville next Monday evening, December 5, under the sponsorship of the Chamber of Commerce.

The Washington Union High School band, under the direction of Dwight Thornburg, will be on hand to provide musical entertainment—Judge Allen G. Norris will deliver a brief address honoring the distinguished visitor—the stores, with their beautifully decorated windows, will be open for inspection—and, overhead Christmas lights across the street of the business section will be set aglow by the First Citizen of the North Pole.

### FIRST LIGHTING PROGRAM

Dallas Paul, president of the Chamber of Commerce, is working out the details of the festive occasion, and has announced that the program will get underway at 7 p.m. and will be concluded by 7:30, in time to afford the spectators a look through the stores and attend the various functions being offered that evening.

This year marks the first time that the entire business district of Centerville has been decorated for the Yuletide. A committee headed by Len Miller and Bill Clarke called on businessmen and residents of the community and raised more than \$600 for the strands of colored lights. The Chamber contributed funds for the erection of Christmas trees and figures of Santa Claus. However, it was pointed out at Wednesday's luncheon meeting that the Chamber is still several hundred dollars in debt in its project and persons wishing to contribute are asked to leave their money with any officers of the Chamber.

### MANY CONTRIBUTIONS

A vote of thanks was given Wednesday to Miller and Clarke, Harry Weber, who headed the committee on trees and Santa Claus decorations, the Centerville Electric Company, which has made many concessions to the Chamber on the project, and to all the contributors who helped make the decorations possible.

### JOINT MEETING FOR SERVICE CLUBS

A joint meeting of the Niles Rotary Club and the Centerville Lions Club will be held Tuesday evening at the International Kitchen at 6:45. The Rotarians will be in charge of the program.

## WHO IS IT?

Who is it that your organization or club calls upon to donate prizes at its whist parties? Who is it that always has an open purse when it comes to making contributions to worthy community enterprises?

There is only one answer to this question. IT IS THE MERCHANT IN YOUR TOWN.

The store-keepers in your town are the biggest boosters of your community. They give, and give, and GIVE—sometimes til it hurts.

Now it is your turn. During this season of the year, you can give something to them. You can give them your Christmas shopping business, which actually is not a gift at all. You get more than you pay for: the convenience of shopping in an uncrowded area, as well as moderate prices.

Before you go out of the township to shop, look around in the stores here. It may surprise you, but you can probably find every item on your Christmas shopping list in one or another of the stores right in the township.

We have gift shops here, dry goods stores, appliance shops, nurseries, dime stores, drug stores, shoe stores, dress shops, furniture stores—any kind of store, in fact, that you would find in a city. Why not patronize them?

Let's not give mere lip service to our local merchant when we say to him, "Merry Christmas." Let us give him a REAL Merry Christmas by giving him our patronage.

## Ten More Charges Of Compensation Fraud In Second Crackdown

A second crackdown on unemployment pay chiselers in Southern Alameda County resulted this week in ten more men being charged with fraudulently receiving unemployment compensation while they were employed.

Of the ten men charged, eight are employees or former employees of the Pacific States Steel Mill in Niles. Six of the men were arrested Tuesday and following their pleas were given jail sentences. The other four are yet to be apprehended.

## TOWNSHIP CHAMBER SEEKS APPROVAL OF RULES, BUDGET

Delegates to the proposed Washington Township Chamber of Commerce met at Centerville Wednesday evening and voted to speed up the organizational program of the Chamber in order to have it legally established and functioning on January 1.

Each of the delegations from the seven communities represented were handed a proposed set of by-laws and a tentative six-month budget to be submitted to the community Chambers for approval. The community Chambers have been asked to take immediate action on these two proposals, elect three delegates to the township-wide Chamber, and report back at the December 28 meeting of the group.

### WOULD MEET MONTHLY

At the next meeting of the township group, officers will be elected from the floor to serve during the coming year, bylaws and budget will be adopted, a search will be made for a part time executive secretary and the Washington Township Chamber of Commerce will officially come into being.

Judge E. A. Quaresma, chairman of the Rules and Regulations Committee, read the proposed by-laws to the delegates at Wednesday's meeting. Under the proposed rules the delegates, who would automatically become directors of the township chamber, would meet monthly and a special meeting could be called at any time by three or more directors.

### SUBMIT BUDGET

Bruce Michaels, chairman of the ways and means committee, submitted a tentative budget to cover the first six months of operation.

His proposal, which was accepted by the delegates but must be submitted for approval to the community chambers, calls for a budget of \$600 to cover the first six months from January 1 to July 1. This amount is expected to cover the cost of wages and expense account for a part time secretary and the initial costs of materials.

The operating fund would be raised from the seven member Chambers with each prorated a percentage of the total based on population, membership and valuation.

### EXPECT COUNTY AID

As proposed by the ways and means committee, the percentage each Chamber would pay would be: Niles, 20 percent or \$120; Alvarado, 10 percent or \$60; Newark, 20 percent or \$120; Irvington, 15 percent or \$90; Decoto, 10 percent or \$60; Centerville, 20 percent or \$120; and Warm Springs, 5 percent or \$30.

Chairman Michaels expressed belief that after the Township Chamber had become a functioning organization it would be eligible for financial assistance from the county.

### SENTENCED ON TWO COUNTS

Each of the men were sentenced on two counts, one for violation of the unemployment compensation act and one for petty theft. However, sentences in each case are to run concurrently.

Given jail sentences Tuesday by Judge Jacob Harder were: Morris D. Maroney, 400 Third Street, Niles, 15 days and 5 days; Eusibio R. Aguilar, 410 Third Street, Decoto, 25 days and 5 days; Jim W. Glenn, Niles, 15 days and 5 days; Basilio Mendoza, 525 Eleventh Street, Decoto, 40 days and 5 days; Alfred J. Perry, 305 Second Street, Niles, 40 days and 5 days; and Marion C. Brewer, Hayward, 45 days and 5 days.

Tuesday's crackdown was the second such action taken by the State Department of Unemployment in Southern Alameda County in the past two months.

### BOOSTS TOTAL TO 55

In September 45 employees of the Pacific States Steel Mill were similarly charged. Of the 38 cases which have already come to trial, 36 have been convicted and received jail sentences ranging from 15 days to six months, and two men have been freed.

Meanwhile two of the men charged in the first mass arrests were tried in court Monday and Tuesday.

Albert D. Smith of Niles was freed after a jury returned a verdict clearing him of the charges.

Thomas Pugmire, Niles was found guilty at a court trial and was sentenced to serve 40 days in the county jail.

### POSTMASTERS SEE RECORD YEAR IN YULETIDE MAILING

Postmasters of Washington Township are anticipating the greatest flood of Yuletide mail in local history and have asked all residents of this area to cooperate by mailing their Christmas parcels as early as possible.

Extra clerks will be added in many of the post offices next week, extra sorting tables have been pressed into service and large supplies of stamps have been laid away ready for the rush.

## BUY STAMPS EARLY

They have warned that to assure arrival of Christmas parcels before December 25 all parcels, with the exception of local cards, should be in the mail no later than December 15. Out of state packages should be mailed by December 10, they warned.

In asking for the cooperation of the public, the postmasters have urged all persons to buy their stamps immediately before the seasonal rush begins, and have cautioned that last year's addresses for cards and parcels be checked and revised for accuracy.

## URGE HEAVY WRAPPINGS

As a final warning the postmasters have issued the time-worn plea to adequately wrap all parcels. The use of cardboard and heavy twine is a greater assurance that your parcel will arrive at its destination intact.

### REBER PLAN TO BE HEARD BY SENATE COMMITTEE IN S. F.

Senator Sheridan Downey has announced that the U. S. Senate Committee on Public Works has scheduled two weeks of hearings in San Francisco starting Monday, Dec. 5, at which advocates of the Reber Plan will be given a full opportunity to present their proposals for a system of public works in the San Francisco Bay area.

Reber Plan officials, including consulting engineers, will explain their proposals on December 5 and 6 and will be followed by representatives of the Bureau of Reclamation, the Army's Corps of Engineers, the State Department of Public Works and the State Reclamation Board, who will comment on one or more phases of the Reber Plan.

"The San Francisco Bay area," said Senator Downey, "offers a special opportunity for the state and local governments to work as partners with the federal government because of the wide variety of federal functions involved. The Reber Plan contemplates the initiation of a number of works in which the federal government has a direct interest and for which federal contributions may therefore be anticipated if they are found feasible and in the national interest."

In addition to the Reber Plan the Senate Committee will hear testimony of state and federal officials on additional crossings for San Francisco Bay. Representatives of the National Defense Establishment are scheduled to testify at the second week of the hearing.

The hearings, to which the public is invited, will be held at Room 307, Post Office Building, Seventh and Mission Streets, San Francisco.

## CAGE OPENER ON DEC. 6: LACK OF VETERANS NOTED

Washington Union High School's basketball season opens Tuesday in a double-header on the home maps against Pleasanton, beginning at 3:30 p.m.

Coaches Don Wolfe of the 130's and Clyde Voorhees of the varsity squad are faced this season with the problem of producing a winning combination from a pack of young hopefuls with the barest minimum of experience.

## TALL SQUAD

Offsetting the lack of experience the varsity squad this year will be the rangiest squad of lads to wear the orange and black in many moons. A high percentage of the lads most likely to be selected for the traveling squad tower up to the six-foot mark.

George Silveira, center, is the only varsity letterman from last season whose services are available to Coach Voorhees. However, Maurice Vargas, guard, although not a varsity letterman last year, is expected to be a mainstay on this year's varsity quintet.

Up from last year's 130 squad and expected to see considerable service are: Armando Morlos, forward; Henry Ruelas, guard; Ralph Juhl, forward; Kenny Evers, guard; Ernie Rodriguez, forward; Bob Hernandez, guard, and Al Castillo, forward. Lloyd Davis, a transfer from Idaho, has shown up well in early workouts and is expected to share the center berth with Silveira.

## 30's ALL NEW

Coach Don Wolfe is in even worse shape with his young 130's, without a single letterman from last year's squad and only four candidates who have had any experience. He cut his squad from 45 to 20 this week to afford him more time to work on fundamentals.

Both coaches will have an opportunity of polishing some of the rough spots in both squads before embarking upon their league play, the first S.C.V.A.L. encounter not being scheduled until January 6.

The vanilla bean is the fruit of an orchid-family plant, which is an aerial parasite.

## CAGE, GRID AWARDS TO ATHLETES TODAY

Block "W" awards will be given to the lettermen of the varsity and 130 football squads and the "C" and "D" basketball squads at a special assembly to be held this afternoon at Washington Union High School.

Varsity players who will receive awards are: Guerra, Silveira, Salvador, Bribes, Pine, Captain Runolfson, Leal, Zeisse, Spence, Saucedo, Berney, Bettencourt, McDonald, Miyasaki, Mendoza, Bernard, Briar, Cicairos, Garcia, Elizarrey, Pagan, Francis, Gurley, Griffin and Funk.

Members of the 130 squad who will receive their blocks will be: Walton, Searles, Sammon, Sagundel, Rivera, Orrochi, Ornellas, Odenbaugh, Nieves, Martinez, Hissaka, Gould, J. Gonzales, A. Gonzales, Furtado, Ferraris, Duarte, Brazil, Berreros, Bechtold, and Balcita.

Basketball awards will be received by the following members of the C squad: Anderson, Bucol, Caravaho, Carrillo, Morimoto, Rigmalden and Thomsen.

Members of the league championship D squad who will receive blocks are: Andrade, Arington, Cole, Galvan, Kinzli, Ramirez, Rodriguez, Senn and Viscarra.

## KIMBER POULTRY FARMS LAUNCH 'FLYING CHICKS'

Flying chicks, an innovation started by the Kimber Poultry Breeding Farm here in Niles, will be launched on December 12, when the first plane-load of Kimberchicks takes to the air to be flown to customers all over California.

The speedy twin-engine Lockheed "Electra" will leave San Jose Airport in the early afternoon and only two or three hours later the chicks will be in the hands of customers even as far south as San Diego, thus marking the first time in northern California history that chicks will be transported regularly to poultry customers by air.

The plane will be able to stop at any airport having an adequate runway and the other facilities necessary for flying under adverse conditions. There are now a large number of such airports in California, among which are those at Modesto, Fresno, Visalia, Porterville, Bakersfield, and many others. This new service launched by Kimbers was made possible through the cooperation of the Santa Clara Hatchery which will use approximately half of the capacity while Kimberchicks will use the other half.

Little Guy Overacker, son of Mr. and Mrs. Howard Overacker of Mission San Jose, celebrated his birthday on Thanksgiving Day. In spite of its being the traditional pumpkin or mince pie day. ## ESCAPES INJURY

Mrs. Frank Rebieto luckily escaped serious injury recently when the car driven by her husband swerved to avoid hitting another car, forced the car door open and threw her and her two year old child out.

## AT THE GAME

Paul Garcia, Kenneth Garcia, Eddie Delgado, Daniel Duran, Rinaldo Caminada and daughter all enjoyed the football game on Thanksgiving day between Hayward and San Leandro at the Hayward high school field. The score was 6 to 6 after a hard-fought game.

News comes from Harvey Her-

nandez, who is studying at Taylor University in Indiana. He is majoring in physical education. Harvey seems to be enjoying college life and, although not all play, he finds time for many social affairs.

Mother and Dad holding secret conferences . . . Junior being very well behaved . . . Christmas is definitely on its way!

We think that this Christmas will be one of the biggest and happiest ever. And to make it extra merry, we've stacked our shelves to the rafters . . . filled our showcases 'til they're fairly bulging with nationally known brands of "just what you've always wanted."

Now the only question is, how to take the hustle and push . . . the fatigue and short tempers, out of your annual Yuletide shopping tour. We've a suggestion.

Shop at home, where you will be served by friends and neighbors . . . where you will be served best, because your salespeople know you! Shop at home because you save time and money—and still can obtain anything and everything that's available anywhere else. Shop at home because you are supporting the merchants who are supporting YOU . . . through their interest in better schools . . . better churches . . . better public services.

And on Christmas Day, let's all go to church . . . rich in the knowledge that this Christmas, by shopping right here, we've contributed to a better Holiday Season for ourselves — and a better community for all!

### HOLIDAY AT HOME

We spent this past Thanksgiving Day at home with guests in for the dinner. Helping eat the turkey and the trimmings were Mr. and Mrs. Albert Brown, Mr. and Mrs. Larry Cunha of San Jose and Mr. and Mrs. David R. Smith and sons of Alameda. Mr. and Mrs. G. M. Rice and Kathy of Santa Clara were invited

but were unable to attend. Your reporter and family enjoyed the day very much.

### ENJOYABLE THANKSGIVING

Mr. and Mrs. Jack Soito spent Thanksgiving day at their home on Decoto Road with Mrs. Soito's mother, Mrs. Davilla, and Mr. Tony Garcia, both of Centerville, and Mr. and Mrs. Bill Alameda as their guests. Mrs. Soito cooked a most delicious dinner.

### BIRTHDAY CELEBRATED

Mr. and Mrs. Jack Ferriera and son, Darrell of Newark spent Thanksgiving day in Manteca at the home of her parents, Mr. and Mrs. Rogers. The whole family gathered on that day to also celebrate Mrs. Rogers' birthday.

### IN SANTA MARIA

Mrs. Mary A. Caldiera of Centerville spent Thanksgiving with her cousin, Mrs. Anna Caldiera and family in Santa Maria. Accompanying her was Mrs. Mae Smith and Mrs. Rodriguez, all of Centerville. The ladies remained there five days and enjoyed it very much.

### ENJOYABLE DAY

Guests enjoyed a very delicious dinner on Thanksgiving Day at the Frank Gemignani residence. Those present were Mr. and Mrs. Charles Rose and Elaine, Mrs. Wackerman, Ted and Arlene, Manuel Rose and Maria Lewis. The John Browns of Centerville dropped in during the evening to help complete a perfect day.

### CUB LEADER COURSE

A new club leaders' training course started last Monday and met again Wednesday evening for all new or prospective Cubmasters, assistants, den mothers, pack committeemen and parents of cub scouts. The group will meet at the Centerville Elementary School Monday and Wednesday evenings for the next two weeks. Practical craft instructions are included in the first period of each evening.

The course leaders are Phil Sousa, Mr. and Mrs. Kenneth Foster and others.

### WEEK-END TRIP

Mr. and Mrs. Joaquin De Valle

and son, Gene, left last Saturday morning on a 478-mile trip through San Juan and Atwater, visiting relatives and friends along the way. They ended up in Sacramento to visit their son and family, Mr. and Mrs. Richard De Valle and children. The De Valles arrived home on Sunday, tired but happy after their enjoyable trip. Incidentally Mrs. De Valle reports that their new car behaved very nicely.

### ENJOYING TELEVISION

Mr. and Mrs. Seraphine Bettencourt Sr. of Thornton Avenue are staying home these days enjoying their new television set, which was installed last week.

### CELEBRATES BIRTHDAY

Mr. Margaret Soito of Santos Road celebrated her birthday at her home on Sunday. Those present were: Mr. and Mrs. Manuel Soito and family, Mr. and Mrs. Martin Diaz and family, Mrs. Mary Vargas, Mrs. Madeline Mendonca and Mr. and Mrs. Henry Dias and Marlene. An elaborate birthday cake was enjoyed along with other delicious refreshments.

### ON THANKSGIVING DAY

Mr. and Mrs. Gabriel Coit of Oak Street entertained guests on Thanksgiving day. They were: Edith Dias and Gary, and Mr. and Mrs. Joe Travers, all of Decoto, Mr. and Mrs. Frank Rose and family and Dorothy and Pat of Niles, Mr. and Mrs. Wilbur Pine and Mr. and Mrs. Elmer Coit and children from Campbell. They all spent a most enjoyable day.

Mrs. Mary Coit of Niles is visiting at the Coit home this week.

Reverend Freeman wishes to thank those whose gifts of food and money made it possible for the church to give several baskets of food to needy families on Thanksgiving day. They will be glad to know that the baskets were most thankfully received.

### FISHING TRIP

Mr. and Mrs. Frank Vieth (Grace Meyers) and Mr. and Mrs. Ed Chambers (Jo Fernandez), went to Frank's Tract near Tracy last Saturday to enjoy a day of fishing. Gracie was lucky and really got one and so did the boys.

### ON THANKSGIVING

Mrs. Dolores Andrade and family entertained her mother, Mrs. Rose Telles, Mr. and Mrs. Mervin Telles and daughter, Rosemary, and Mr. Leland Telles and sons on Thanksgiving. Then they all left for Modesto to spend the rest of the week-end at Aunt Lou Kahn's home. While there Lee and Mervin went to Ceres to visit cousins and do some pheasant hunting.

### TO SACRAMENTO

Mr. and Mrs. Tom Santos of Burlingame left Thursday for Sacramento to have Thanksgiving dinner with her dad and Ruth, Mr. and Mrs. Harley Justus, and then on north to do some pheasant hunting—no success. Diane and Michael spent the week-end at Nana Bottenberg's. The Santos' returned on Sunday to have dinner with the rest of the family, including Colleen, Bud, Cynthia and Gary Justus of El Cerrito, who were at the mother's home over the week-end.

### A BUSY MAN

All last week our school was out and for a very good reason for Custodian Herman Medeiros was a very busy guy, scraping, cleaning and waxing the floors throughout the building. He was working with ether and it almost knocked him out as he had to go to the doctor for some shots to counteract the effects. He is O.K. now and proud of the way it all looks and so are all the patrons of the school.

### HOUSEWARMING

A week ago Friday evening the Mission Men's Club sort of had a housewarming, in a way, for they met at the new home of Mr. and Mrs. David Escobar on Mission

Road toward Livermore, and had a very grand time eating prawns and having a business meeting besides.

### WEEK-END HERE

Mrs. Norman Knapp, the former Elaine Justus, and daughters, Vicki and Teri, of Placerville, spent a week here. They first went to Walnut Creek where they visited with Mr. Knapp's sister. On to El Cerrito where they spent a couple of days with Bud and Colleen Justus and Gary and Cynthia. Then to see Mrs. Nellie Huddleston and daughter, Linda, of Oakland (the former Nellie Warren). Home to Mission for a while to see Nana Bottenberg and Glenn. To Hayward to see her old school chum, Mrs. Angie Ricker (Ferreira), to Burlingame to visit with a sister, Ruth S. Santos, Tom, Diane and Michael. On Saturday Norman arrived and they attended the big game at Palo Alto.

### NEED COOPERATION

There was quite an attendance at the 4-H Club meeting last week at the grammar school and it is hoped that soon the club can really begin here in town. Miss Boone and Mr. Bolton had some very in-

teresting pictures to show of other clubs and their activities and gave the parents information as to how clubs are formed and what the clubs do. The parents will have to cooperate and be leaders if a club is to prosper for the youngsters alone cannot do it as they need instructors and advisors.

### TO TEXAS

Several cards have been received here in the Mission by the gals at the post office and others that the Jerry Spaulding family are progressing along their way to Corpus Christi, Texas. Chief Spaulding has been transferred there from Moffett Field after nearly a year here in our town.

### ON FURLOUGH

We saw the soldier uniform coming up the Irvington Highway from quite a distance and wondered if it was Clarence Souza, former Mission boy and sure enough it was he, fresh back from Okinawa. (Continued on page 8)

**Does picketing of Safeway make sense when union help crosses the picket line?**

Safeway Stores are sorry if you may have been inconvenienced by the current picketing of our stores in the East Bay.

The fact that both union clerks and union butchers cross these picket lines should convince you this jurisdictional strike between two A. F. of L. unions is unnecessary.

**SAFEMAN STORES OPEN FOR BUSINESS**

We want you to know that Safeway Stores are open for business as usual despite this unjustified picketing. If union help is willing to cross these picket lines, there should be no question in your mind about shopping in Safeway Stores.

This is a jurisdictional strike between two A. F. of L. unions to determine which shall represent Safeway clerks. There is no dispute over wages or working conditions. Safeway has offered contracts to both unions, and the strike can be settled quickly under procedures already set up by the American Federation of Labor.

**STORE MANAGERS ARE EXECUTIVES**

The leaders of the Retail Grocery Clerks Union also insist that **STORE MANAGERS** be represented by the union. This is an unfair demand! In the first place, a great majority of our **STORE MANAGERS** do not want to be under the control of the union.

Safeway **STORE MANAGERS** are executives, and not "just glorified clerks" as they are referred to by the Grocery Clerks union. As executives, these managers are paid executive salaries up to \$10,400 a year. In Alameda and Contra Costa counties many Safeway **STORE MANAGERS** earn from \$7,200 to \$8,400 a year.

Our **STORE MANAGERS** not only have complete charge of their stores, but they handle all the hiring and supervision of help. For this reason it would be ridiculous for Safeway **STORE MANAGERS** to be under the domination of the leaders of the union which controls the clerks.

Division Manager

## MISSION SAN JOSE

(Continued from page 1)

He is on furlough till December 19, then on he goes to Seattle. Has he grown up and is he ever nice looking. I'll say. Gene Brawell, one of his side kicks now of Torrence, Calif., just happened to be in town and of course the kids got together. Gene has gotten married since Clarence went away so they had a great deal to talk about.

### OLD FASHIONED DINNER

Mr. and Mrs. T. D. Witherly had quite a houseful on Thanksgiving day as Mrs. June Granville and daughter, Nancy, of Oakland, Dr. and Mrs. Louise Defoe and Mr. Witherly's daughter, Katherine and husband all came out to the country for a good old fashioned dinner. This year it was a bit different as the T. D.'s now live in their new home atop the hill and not in the old home place which they occupied for many years.

### MOVE TO NILES

Mrs. William Laughlin, who underwent a major operation a few weeks ago, is around with her happy smile greeting old friends. They have moved to Niles after spending several years here as our home town folks. Sad news just reached us. Her brother, Aaron, was instantly killed in a wreck in Colorado. Our sympathies.

### ON THE JOB

Mrs. Dorothy Koelsch and son, David, left poor Jake to his own devices over the Thanksgiving holiday for he had to stay on the job while they motored to Medford, Oregon, to be with Mrs. Florence Tabor Schmidt, who is David's maternal grandmother.

### EVERYBODY DIFFERENT

Miss Olive Hyde's new building here is looking very nearly ready for an occupant. There are shrubs and flowers all planted and ready for whoever is the lucky one to live there. Yours truly likes the view from the side and back better than the front, but then I have heard some say "How quaint" and "How nice" when they look at the front. Glad we don't all like things the same.

### GONE FOR A WEEK

Gone for a week over Thanksgiving were Mr. and Mrs. J. W. Jibson of Niles, former Missionites, their daughter Barbara Santos and her husband Mervin, to visit the grandparents in Declo, Idaho. They returned home Sunday bringing their son, Johnnie, who had spent several weeks with his grandmother Jibson. They picked up Cynthia Gail in Mission and later Mommie and Daddy Justus, accompanied by Gary and friend, Mary Edith Santos, went to the Niles home. Mary Edith is spending a week in El Cerrito with the Justus'.

## EYE CORRECTION PROGRAM BENEFITS 30 YOUNGSTERS

Thirty needy youngsters of Washington Township benefited during the past year from the Centerville Lions Club eye correction program, it was announced this week by Irving Hird, committee chairman.

Hird revealed that more than \$400 was spent during the 12-month period in acquiring eye correction treatment and glasses for the youngsters who could not receive the care through any other agency.

### MUST PROVE NEED

It was pointed out that the Lions Club's project cares for only those children who are not eligible for county aid and whose parents cannot afford the financial burden of eye correction and glasses.

"We work together with the

school principals and the County Health Department in determining the need of treatment and financial assistance in each case," Hird said.

He revealed that during the year four youngsters from Irvington received either the treatments or glasses, two students from St. Mary's of the Palms received aid; two from Newark, two from Centerville, four from Niles and 16 from Decoto.

"This project is supported solely
